LAST PIECE OF THE PUZZLE

MRS. BERNARD

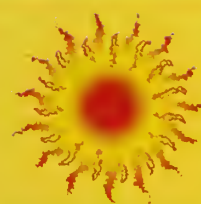

"She was literally my homeroom teacher for 4 years, and at the same time she helped me recover from injuries and other health issues. The things that I will remember most about her is the love, care and support she showed me through my troubles" - Dawayne Kirton

"She wasn't just my 'school nurse', she was like my mom when I was at school. She was always smiling and laughing joyfully. She had a special way about her; you felt close to her heart. I will truly always remember the multiple tears she dried for me." - Hannah McElroy

YOU SHINE BRIGHTER THAN THE SUN.

"I'm sorry I have to go, I didn't think that I would enjoy school nursing to the degree that I have. I never felt like I was going to work, I was just going to school, All my students will be missed and I had a wonderful experience". - Mrs. Bernard

SCITUATE HIGH SCHOOL

2013-2014

YEARBOOK STAFF 2014

How do you thank a group such as this??? Every day they put a smile on my face as they walked through the door full of enthusiasm and chatter and then ready to work. They are responsible, intelligent self-starters that collaborated, shared, critiqued, organized, kept one another accountable and saw every task through to the end and then some. Their real accomplishment was not just the yearbook; it was becoming a team that used each other's strong points as a means to an end. There were no individual leaders, as they all took on leadership roles. Every day they made my job a pleasure! A team like this is difficult to create selectively yet they randomly were assigned to me to become my class. Their success in the future is inevitable. I thank them from my heart and my heart will miss this crew every day next year and for years to come. Ms. H.

It will be quiet around here without you — speaking your secret language, playing on the roof, nearly drowning Noelle, arguing with Ana in Spanish, slamming doors, having rice fights, singing off key, & taking the Durango “accidental off-roading” inisiting that you were “only going 30...”
Most of all we’ll miss your infectious laughter while you’re away at college.
